

English Rose Day School Closure Week & Summer Camp 2022 Registration

Dear Parents,

Please find below our schedule for Camp at English Rose for 2022. We are looking forward this year to a new camp adventure. You can sign up for as little as a week or as much as the whole summer. You can also pick your days from 1-5 – whatever works for your schedule. The children will have a base classroom, and will be able to complete all of their activities in their designated room as described below. We will be having the water slide from Week 2 through the end of Summer Camp. Children will be using the slide one group at a time. We want to provide a fun, safe summer for all of the children. As of now we require a 5-day quarantine and a negative PCR on day 5, if you are travelling with your child/ren outside of the United States. Our current COVID protocols are still in place. As we move nearer the summer, will alert you of any revised or changed protocols. When planning your camp weeks, please be mindful if you are going on vacation or travelling, which weeks you would need to register for and which weeks your child would need to remain out of program, if you are travelling outside of the country. If you have travel plans, or when you make travel plans, please contact our office to advise us of dates and destination, so that we can advise you of a safe return to school plan.

Our group games and activities will remain for campers to enjoy all sorts of fun games and activities both inside and out, within their specific groups. We will be undertaking many fun crafts and activities as they relate to our weekly themes. We will also be offering cooking, science and music. At the end of our summer program, we hold our “Penny Carnival.” Due to us continuing to follow social distancing guidelines for parents, we will operate this during the daytime for the children only, allowing one group to attend the carnival at a time. We will have in-house visitors most weeks, such as Mad Science, Macaroni the Clown, Yoga for all, Pat’s Pals, Museum of the Hudson Highlands and more. Details will follow as we get closer to the summer, as I am able to ascertain their availability. Again, these would be conducted outside, with the children staying within their home classroom group.

We will also have the opportunity for campers to purchase a pizza lunch one day a week during camp, more information to follow closer to the time. We will also be offering ice-cream for purchase one day a week from the “Ice-Mother.” More details to follow.

Please note we will be closing for the week of July 4th-8th. This will allow for our staff to take a well-earned break during the summer months.
